How to Certify Photocopies for the Canada Pension Plan and Old Age Security

Please send certified true photocopies rather than original documents

Whenever submitting documents to Service Canada, please send certified true photocopies rather than the original documents. If you must send your original documents, we suggest you send them by registered mail. We will return the original documents to you.

We can only accept a photocopy of an original document if it is readable and if you have someone certify that it is a true copy of the original.

How to get a certified true photocopy of an original document

Documents can be certified by Service Canada staff free of charge at any Service Canada Centre. If you cannot visit a Service Canada Centre, you can ask a member of one of the following professions to certify your photocopy:

- accountant
- chief of First Nations band
- commissioner for oaths
- employee of a Service Canada Centre acting in an official capacity
- funeral director
- justice of the peace
- lawyer, magistrate, notary

- member of parliament or their staff
- member of a provincial legislature or their staff

- official of an embassy, consulate or high commission
- official of a country with which Canada has a reciprocal social security agreement
- police officer
- professional engineer
- social worker
- teacher
- university professor

Note: You cannot certify photocopies of your own documents and you cannot ask a relative to do it for you.

The person certifying the document(s) must:

- compare the original document to the photocopy;
- state their official position or title and sign and print their name;
- provide their telephone number;
- write the date they certified the document; and
- write the following statement on the photocopy: **This photocopy is a true copy of the original document which has not been altered in any way.**

Note: If your photocopy is missing any of the above elements, it will not be accepted and you will have to submit a new, properly certified photocopy. This could result in delays in processing your application.

If the document has information on more than one page, photocopy all pages. The person you ask to certify your photocopies can either certify each page, or only the first page as long as they indicate and attest to the total number of pages in the document, including any pages that are blank.

Please write your Social Insurance Number on any document or photocopy that you send to Service Canada.
