

Guide for Completing an Application and Supporting Forms for Canada Pension Plan Disability Benefits under the Convention on Social Security between Canada and the Republic of Peru

If you:

- reside in Peru; and
- wish to apply for Canada Pension Plan Disability benefits,

you must complete an "Application for Canada Pension Plan Disability Benefits under the Convention on Social Security between Canada and the Republic of Peru".*

If you have been out of work for twelve months or more, be sure to submit your application as soon as possible. Any delay in submitting your application may mean that you will no longer qualify for a Disability benefit or that you may lose several months of benefit entitlement if your benefit is approved.

This guide has been prepared to help you fill out the application and supporting forms. Please read the guide carefully and follow the instructions which are given. In order to act on your claim as quickly as possible Service Canada *must* have all the information which is requested in the forms. The more accurately the forms are completed, the better we can serve you.

- * If you wish to apply for a Canadian Old Age Security pension or Canada Pension Plan Retirement, Survivor's, Surviving Child's or Death benefit you will have to complete a different form entitled "Application for Canadian Old Age, Retirement and Survivors Benefits under the Convention on Social Security between Canada and the Republic of Peru". This form is available on this website and from your nearest social security office.

Eligibility conditions

To be eligible for a Canada Pension Plan Disability pension, you must:

- be under age 65;
- be disabled;
- have contributed to the Canada Pension Plan anytime since the start of the Plan in 1966;
- have contributed to the Canada Pension Plan or have credited periods under the legislation of Peru during four of the six years immediately prior to your disablement, or three of the six years immediately prior to your disablement provided you have at least 25 years of contributions.

In order to be considered disabled under the Canada Pension Plan, you must have a physical or mental disability which is severe and prolonged. "Severe" means that you cannot regularly pursue any substantially gainful occupation. "Prolonged" means that your disability is likely to be long continued and of indefinite duration, or is likely to result in death.

Canada Pension Plan Disabled Contributor's Child's benefit

If you qualify for a Disability pension and if you have in your care a dependent child (including an adopted child), your child may qualify for a Disabled Contributor's Child's benefit if he or she is:

- under age 18; or
- age 18 or older, but under age 25, and in full-time attendance at school or university.

You can apply for this benefit for a child under age 18 who is in your care using the same form on which you apply for your own Disability pension. (See page 4 of this guide for further details.)

If your child is age 18 or older, he or she should submit a *separate* application for this benefit. The child will have to complete a form entitled "Application for Canada Pension Plan Child's Benefits under the Convention on Social Security between Canada and the Republic of Peru". This form is available on this website and from your nearest social security office.

Completing the application and supporting forms

Application form

Correspondence from Service Canada concerning your application will be written in either English or French, whichever you prefer. At the top of the form in the space provided, please indicate the language in which you wish to receive such correspondence.

Section 1 - General information about the contributor

If you are making an application on behalf of someone who is incapable of applying for a benefit for him or herself, you should provide information concerning the person on whose behalf you are applying. Please attach a statement briefly explaining the reason for which the applicant is incapable of applying for him or herself.

Question 1

Please give both your Identification Number in Peru (this includes your National Identification Number, Passport Number, Peruvian Residence Card Number or CUSP) and Canadian Social Insurance Number. If you do not have a Canadian Social Insurance Number, or if you do not know the number, the information you will give in questions 2 and 4 of the application form may be sufficient to identify you.

Question 2

Please give the name in full (given name or names and family name which may include both father's and mother's name) as well as the family name at birth (if it is different). The family name at birth is required for correct identification if the name has been changed through marriage or for some other reason.

Question 3

If the name on your Canadian Social Insurance Number (SIN) card or on your confirmation of Canadian SIN letter is different from the name you gave for question 2, please provide for question 3 your full name *exactly* as it appears on the card or letter. This will allow Service Canada to verify your contributions to the Canada Pension Plan and establish entitlement to Canada Pension Plan Disability benefits.

Question 4

Please indicate your date of birth and submit your birth certificate. If you cannot obtain a birth certificate, please contact Service Canada for information on alternate documents which may be acceptable.

Question 5

Please indicate your current marital status.

Questions 6 and 7

Your current home address is required in answer to question 6. If you wish to receive correspondence concerning your application as well as benefit payments at a different address, please give this address in answer to question 7; otherwise, go to question 8.

Question 8

The information requested in this question is required to enable Service Canada to establish whether your application falls under the authority of the Canada or the Quebec Pension Plan¹.

If you have contributed to the Quebec Pension Plan as well as the Canada Pension Plan, it is the province of residence at the time of your departure from Canada which determines the Plan which applies to you. If you contributed to both Plans and you qualify for a Disability benefit, the applicable Plan will pay the entire benefit based on the total contributions to both Plans.

Question 9

If you have resided in a country other than Canada or made social security contributions in another country, you may be eligible for benefits under that country's social security system. A complete answer to question 9 is important, therefore, to ensure that you receive all the benefits to which you are entitled.

¹ The Canada Pension Plan operates throughout Canada except in the province of Quebec where a similar program, the Quebec Pension Plan, is in force.

Question 10

Under the Canada Pension Plan, periods of nil or low earnings spent caring for young children may be disregarded in calculating a benefit; this will often increase the amount of the benefit. To take advantage of this provision, eligibility to Canadian Family Allowances or to the Child Tax Benefit must have existed after 1 January 1966 for children under age 7. If you or your spouse or common-law partner were eligible for Canadian Family Allowances or the Child Tax Benefit for such a child after 1 January 1966, please indicate this fact in response to question 10. If your answer is "Yes", we will send you a separate form on which you can provide all the specific information required to obtain this advantage.

Section 2 - To be completed when applying for a Disabled Contributor's Child's benefit for a child under the age of 18

A benefit on behalf of a child under the age of 18 is payable to you if he or she is your natural or legally adopted child, and he or she is in your custody and control. **However, if the child is in the custody and control of another person, that person should apply for the benefit on the child's behalf.**

Question 11

Please list all of your children under the age of 18 on whose behalf you are applying for benefits, indicate their date of birth and submit a birth certificate for each child. You should also indicate if they are your natural or legally adopted children. If you answered "OTHER", please explain the circumstances (i.e. are they the natural or adopted children of your spouse or common-law partner?).

Question 12

If you have children in the custody and control of another person, that person should apply for the benefit on the children's behalf. Please list the children's names and the person's name and address. Service Canada will subsequently send an application form directly to that person.

Question 13

Please indicate whether an application has been made for, or if benefits have been received from either the Canada or the Quebec Pension Plan for the children listed in question 11. If your answer is "Yes", please provide the Social Insurance Number under which benefits were applied for or received.

A child may receive up to two flat-rate benefits under the Canada Pension Plan if both parents were Canada Pension Plan contributors and are either deceased or are disabled and if all conditions of eligibility are met with respect to both benefits.

Section 3 - Declaration area

Please sign the application form.

In signing the application, you attest to the truth of the information given in the application. You must notify Service Canada of any changes that might affect your or the contributor's continuing eligibility for benefits. This includes: an improvement in your or the contributor's medical condition, a return to full, part-time or trial period of work; attendance at school or university; trade or technical training; or any rehabilitation. You also authorize the competent institution of Peru to furnish to Service Canada information which may affect your or the contributor's entitlement to the Canadian benefits for which you are applying.

NOTE: If you make a false or misleading statement, you may be subject to an administrative monetary penalty and interest, if any, under the *Canada Pension Plan*, or may be charged with an offence. Any benefits you received or obtained to which there was no entitlement would have to be repaid.

The declaration of witness is required *only* when the contributor or applicant signs by a mark.

Questionnaire

On the questionnaire you should supply information about your situation. By providing the details about your education (this includes periods of apprenticeship, college and university), work history, benefit history and medical condition, you are ensuring that the Canada Pension Plan has all the necessary information when considering your application.

Consent for Service Canada to obtain personal information

This form authorizes the Canada Pension Plan to obtain personal (medical and non-medical) information about you. The form comes in two versions, one for Service Canada the second for your physician. You must complete, sign and date both forms.

Medical Report

The Medical Report must be completed by the medical doctor who is most familiar with your disabling medical condition, by the Peruvian medical board or Peruvian medical commission.

- Print your name, address and telephone number in the space provided on the front of this form.
Print your Social Insurance Number at the top of each page.

- Ask the doctor to complete the rest of the form and return it to you.

Once the completed medical report is returned to you, place it in an envelope along with the completed application and supporting documents, and take or mail it to your nearest social security office.

Additional information

Documents needed

The following documents are required with your application:

- your birth certificate;
- a birth certificate for each child in your custody and control whom you have listed in Question 11;
- any medical reports, hospital discharge summaries, or other information about your disability that you feel may be helpful to the Canada Pension Plan administration in assessing your disability.

Certified photocopies of original documents

When you send us documents, we suggest you send **certified photocopies** rather than the original documents, if possible. This will ensure the original documents stay with you in case you need them for other purposes. If you must send your original documents, we suggest you send them by registered mail. We will return all the original documents to you.

We can only accept a photocopy of an original document if it is readable and if you have someone certify that it is a true copy of the original. If you bring your original documents to any Service Canada Centre, our staff will photocopy the documents and certify them for free. If you cannot visit a Service Canada Centre, you can ask a member of one of the following professions to certify your photocopy:

- Accountant
- Chief of First Nations Band
- Commissioner for Oaths
- Employee of a Service Canada Centre acting in an official capacity
- Funeral Director
- Justice of the Peace
- Lawyer, Magistrate, Notary
- Manager of a Financial Institution
- Medical and Health Practitioner: Chiropractor, Dentist, Doctor, Naturopathic Doctor, Nurse Practitioner, Ophthalmologist, Optometrist, Pharmacist, Psychologist, Registered Nurse
- Member of Parliament or their staff
- Member of a Provincial Legislature or their staff
- Minister of Religion
- Municipal Clerk
- Official of a federal or provincial government department, or one of its agencies
- Official of an Embassy, Consulate or High Commission
- Official of a country with which Canada has a reciprocal Social Security Agreement
- Police Officer
- Professional Engineer
- Social Worker
- Teacher
- University Professor

People who certify photocopies must compare the original document to the photocopy, state their official position or title, sign and print their name, give their telephone number and indicate the date they certified the document. They also must write the following statement on the photocopy:

This photocopy is a true copy of the original document which has not been altered in any way.

NOTE: If your photocopy is missing **any** of the above elements, it will not be accepted and you will have to submit a new, properly certified photocopy, which will result in delays in processing your application.

If an original document has information on both sides, both sides must be photocopied and certified.

You cannot certify photocopies of your own documents and you cannot ask a relative to do it for you.

Please write the Client Identification Number or Social Insurance Number on any document or photocopy that you send us.

Payment of Disability benefits

Disability benefits are payable from the fourth month after you are deemed to have become disabled. You may receive up to a maximum of 12 months of retroactive payments.

If you are still receiving a Disability pension when you turn 65, the pension is replaced by a Retirement pension, payable effective the month after your 65th birthday. (An application is not required; the pension is converted automatically. You will be advised in writing of your Retirement pension rate.)

Once your pension and any Child's benefit become payable, the amount will be adjusted each January. The adjustment will reflect changes in the cost of living as determined by the Consumer Price Index in Canada.

Division of Canada Pension Plan pension credits

If a marriage ends in divorce or annulment on or after 1 January 1987, the Canada Pension Plan pension credits earned by both spouses during their life together are divided equally between them. This division is mandatory as soon as the Minister of Employment and Social Development Canada receives the information necessary to take this action. If the divorce or annulment took place before 1 January 1987, different conditions apply and the division of pension credits is not mandatory. As well, if a legal marriage ends in separation after 1 January 1987 and if the separation has lasted one year, either spouse may apply for a division of pension credits. There is no time limit for making application for a division of pension credits following separation, except in the event of the death of one of the separated spouses. Furthermore, former partners in a common-law relationship may apply for a division of pension credits within four years after they have separated, if they have been living apart for one year.

If you think that you are eligible for a division of Canada Pension Plan pension credits and if you wish to apply, please attach a brief written statement to this effect to your application form. Service Canada will subsequently send you a special form to obtain the additional information needed to determine whether a division of pension credits is possible.

Protection of personal information

The information you provide is collected under the authority of the *Canada Pension Plan* legislation to determine your eligibility for benefits. The Social Insurance Number (SIN) is collected under the authority of section 52 of the *Canada Pension Plan Regulations* and in accordance with Treasury Board Secretariat Directive on the SIN as an authorized user of the SIN. The SIN will be used to ensure an individual's exact identification so that contributory earnings can be correctly posted allowing for benefits and entitlements to be accurately calculated. The SIN will also be used for income verification purposes with the Canada Revenue Agency to deliver better service to you, and minimize government duplication.

Submitting this application is voluntary. However, if you refuse to provide your personal information, the Department of Employment and Social Development Canada (ESDC) will be unable to process your application.

The information you provide may be used and/or disclosed for policy analysis, research, and/or evaluation purposes. In order to conduct these activities, various sources of information under the custody and control of ESDC may be linked. However, these additional uses and/or disclosures of your personal information will never result in an administrative decision being made about you (such as a decision on your entitlement to a benefit).

The information you provide may be shared within ESDC, with any federal institution, provincial authority or public body created under provincial law with which the Minister of ESDC may have entered into an agreement, and/or with non-governmental third parties for the purpose of administering the *Canada Pension Plan*, other acts of Parliament and federal or provincial law as well as for policy analysis, research and/or evaluation purposes. The information may be shared with the government of other countries in accordance with agreements for the reciprocal administration or operation of that law, and of the *Canada Pension Plan*.

Your personal information is administered in accordance with the *Canada Pension Plan* and the *Privacy Act*. You have the right of access to, and to the protection of, your personal information. It will be kept in Personal Information Bank ESDC PPU 146 (CPP). Instructions for obtaining this information are outlined in the government publication entitled *Info Source*, which is available at the following Web site address: **www.infosource.gc.ca**. *Info Source* may also be accessed online at any Service Canada Centre.
